

FALL RIVER FAMILY PRACTICE

-- consider us part of the family

Dr. Laura Peters

Fall River, NS B2T 1K6

I am announcing my retirement from Fall River Family Practice as of March 31, 2023. It has been a privilege to have participated in your healthcare over the past 12 years.

This comes a little sooner than anticipated, but at a time when there is a shortage of family physicians, I feel it is best to leave when I have someone to replace me. I have the opportunity to pass on my practice to Dr. Sarah MacDonald. All currently active patients will automatically be transferred effective April 3, 2023 and there will be no interruption to your health care.

Dr. MacDonald completed her medical degree and family medicine certification at Dalhousie University. She is an excellent physician and wonderfully caring. You may have met her in October or November 2022 when I was away. Dr. MacDonald will provide any further details regarding her practice schedule or other changes, in April.

I wish you all good health in the future and it has been a true honour to participate in your care.

Sincerely,

Laura Peters, MD
