NOTICE OF RETIREMENT

With deep gratitude for the privilege to have served my patients and families and working with an exceptional team for 43 years, I am retiring as a family physician at Fall River Family Practice.

I am very pleased to welcome Dr. Anson Alvis, an excellent and capable physician who will provide ongoing care for my patients. He will have access to all of your medical records.

Dr. Alvis, a native of St. Vincent and the Grenadines, is a medical graduate of the Latin American School of Medicine in Havana, Cuba. He completed a 3-year residency in rural family medicine in Hendersonville, North Carolina. He and his wife and two children are excited to be moving to Nova Scotia and we wish to extend a warm welcome to them!

With all my regards,

John McNab MD, FCFP
